

**Call for Strategic Scientific Workshops Autumn 2004  
Awarded Grants**

ID	Title	Venue	Date	Organizer	Contact Person
86-821	Towards Europe-wide Coherent and harmonised management/protection of inland, coastal and marine ecosystems and global climate change study: role of remote sensing means.	Saint-Petersburg, Russia	18-19 June, 2005	The Nansen International Environmental and Remote Sensing Center", Environmental Remote Sensing Group, Saint-Petersburg, Russia	Prof. Dmitry Pozdnyakov
86-889	Novel Biological Applications of Spin Chemistry	St John's College, University of Oxford	14-15 September, 2005	The University of Oxford, Department of Physical & Theoretical Chemistry, Oxford, United Kingdom	Prof. Peter Hore
86-910	Function Spaces, Approximation Theory and Nonlinear Analysis, a workshop-conference dedicated to the 100th birthday of Academician Sergei Mikhailovich Nikolskii	Moscow, Russia	23-29 May, 2005	Russian Academy of Sciences, Steklov Mathematical Institute, Moscow Russia	Prof. Oleg Besov
86-921	Diffusion in solids: past, present and future – DiSo-05"	Moscow, Russia	23-29 May, 2005	Moscow State Institute of Steel and Alloys, Department of physical chemistry, Moscow, Russia	Prof. Boris Bokshsteyn
86-946	Community Conflicts in the Post-Soviet Era.	Nicosia, Cyprus	1 - 4 June, 2005	The Interdisciplinary Centre for Comparative Research in the Social Sciences, Vienna, Austria	Dr Liana Giorgi
86-959	Development of Collaborative Research in Instrumental Methods of Analysis for Food Quality and Safety, in the Expanded European Union	Iraklion, Greece	4-6 October, 2005	University of Crete, Department of Chemistry, Iraklion, Greece	Prof. Nikos Chaniotakis
